

Technical Reports

AGARD

AAS Preprints

AAS Papers

AIAA Conferences (American Institute of Aeronautics and Astronautics)

- Applied Aerodynamics
- Atmospheric Flight Mechanics
- Communication Satellite Systems
- Computational Fluid Dynamics
- Flight Simulation Technologies
- Guidance, Navigation and Control
- International Communications Satellite systems
- Structures, Structural. .

AIME

California Institute of Technology

- Department of Water
- Earthquake Engineering
- Institute of Trans. & Traffic
- University of Operations
- University of Water Resources
- University of Western Mgmt.
- University of Southern CA

Carnegie Mellon University

Cornell Aeronautical Laboratory

Cornell University

Cranfield

Denmark

EPRI (also some in microfiches)

General Electric **GE** (also some in microfiches)

General Motors **GM**

Goddard Space Flight Center

Great Britain

Aeronautical research

RRI Report

TRRL Laboratory report
TRRL Supplementary Report

Great Lakes Water Quality

Harvard University

Indiana
Department of Natural Resources

IAS papers

ICAO

Japan
Atomic Energy Society
Public Works Research
Tohoku University
Tokyo

Johns Hopkins University

von **Karman** Institute

MIT

Dept. of Civil Engineering
Dept. of Mechanical Engineering
Laboratory for Computer Science
Research Laboratory of Electronics

Metal Fabricating Institute

Midwest Applied Science Corp

Netherlands

Ohio State University

Penn State University

Princeton University

Project Squid

Purdue University
Lab for Applied Industrial Control
School of Civil Engineering **CE-STR**
School of Electrical Engineering **EE-TR and/or ECE-TR**
School of Industrial Engineering **IE-TR**

SME (Society of Manufacturing Engineers) **SME**

Stanford University

Texas

A&M University
Highway Department
University of, Electronics Research

U.S. Air Force (**also some in microfiches**)

Aerospace Medical Research Laboratories **AMRL**
Aero Propulsion Laboratory **APL**
Aeronautical Systems Division
Aerospace Research Laboratories **ARL or AFARL**
Arnold Engineering Research Center **AERL or AFAERL**
Cambridge Research Laboratories **CRL or AFCRL**
Flight Dynamics Laboratory **AFFDL**
Foreign Technology Division **AFFTD**
Geophysics Laboratory
Materials Laboratory
Materials Laboratory
Rome Air Development Center **RADC or AFRADC**
Wright Laboratories **AFWL**

U.S. Army

Coastal Engineering Research Center
Cold Regions Research and Engineering
Human Engineering Laboratory
Mathematics Research Center

U.S. Civil Aeronautics Board

U.S. Department of Agriculture

U.S. Department of Commerce

U.S. Department of Commerce

U.S. Department of the Interior
Bureau of mines

U.S. Department of the Interior (cont'd)
Water Resource Research Center

U.S. Department of Transportation
Federal Aviation Administration (Some are here, others under **FAA**)
Research and Special Programs
Federal Highway Administration **FHWA**

U.S. Energy Research and Development

U.S. Environmental Protection Agency **EPA**

U.S. Federal Aviation Administration **FAA**
Office of Aviation Medicine

U.S. NASA (also under NASA microfiches) **NASA**
Conference Proceedings **NASA CP**
Contractor Reports **NASA CR**

Reference Publication **NASA RP**
SP series (SP) **NASA SP**
Technical Memorandum **NASA TM TM-X**
Technical Notes **NASA TN and NASA TN-D**
Technical Papers **NASA TP**
Technical Reports **NASA TR**

U.S. National Transportation Safety

U.S. Navy

Aerospace Medical Research Lab
Civil Engineering Laboratory
Naval Ordnance Laboratory

U.S Nuclear Reg. Commission (see also **NUREG** microfiche) N

U.S. Office of Coal Research

U.S. Waterways Exp. Station

World Health Organization **WHO**
