LIBRARIES QUICK TIPS

Collections — www.lib.purdue.edu

The Purdue University Library system includes more than 3.8 million printed volumes and electronic books, close to 165,000 electronic and print journals, more than 377,000 government document, and over 86,000 microforms.

Books

Newly acquired books are shelved using the Library of Congress (LC) call number system, which begins with a letter. Most other books use the Dewey Decimal System, which begin with a number. Please ask staff at the information desk in any library for help locating books.

If you have questions about your library account, contact Circulation Services at 765-494-0369 or via email at circservices@purdue.edu.

Journals

All libraries shelve their journals alphabetically by title except HSSE & MATH, which are shelved by call number.

Course Reserves

Some instructors place textbooks or other course materials on reserve in the Libraries. Use the Course Reserve tab on the Libraries' homepage (lib.purdue.edu) to search by instructor or course number. To ensure others have access to the materials, typically, reserve materials can be borrowed for two hours at a time.

Theses

Purdue theses and dissertations (see <http://guides.lib.purdue.edu/dissertations>) published since 1997 are available from ProQuest's Dissertations and Theses database. Theses and dissertations prior to 1997 can be requested through the Libraries catalog.

Ask a Librarian, LibGuides and Tutorials are your go-to sources to find information.

Interlibrary Loan (Room 246, HSSE)

Interlibrary Loan (ILL) supports the instructional, research, and scholarly activities of currently employed or enrolled West Lafayette faculty, staff, and students by obtaining research materials not owned by Purdue University Libraries. Materials requested through UBorrow will also be delivered through Interlibrary Loan. To place an ILL request, visit www.lib.purdue.edu/services/interlibrary-loan. Contact ILL at 765-494-2800 or via email at ill@purdue.edu.
